

"WE NEED YOUR HELP"

You are a part of the Collector Car hobby, and we need your help. The Collector Car Council of Colorado (CCCC) wishes to increase its effectiveness and influence at the Colorado Legislature. One of the best ways to do this is to make campaign contributions to candidates supporting the important issues to car hobbyists.

The CCCC created a Political Action Committee (PAC) that will collect money from Clubs, Suppliers, Collectors, and Individuals like yourself who wish to increase the visibility and clout of the car hobby at the State Capitol. This committee is nonpartisan, and contributions will only be made to candidates that are favorable to our hobby. This is a way you can do your part to protect the car hobby in our State.
